

**Where am I
going and what
do I need to get
me there?**

EXPLORE

I'm uncertain about
who I might become,
what I offer, or the
world I want to enter

ENCOUNTER

I'm focusing my
ideas and beginning
to understand what
I offer and might
still need to develop

EMBARK

I understand myself well
and how what I offer
enables me to put
my plan into action
