**CAREERS:**  
**Who am I and where  
am I going?**

I'm uncertain about  
who I might become  
and what's out  
there for me

I've got some ideas  
but I need to explore  
more to decide  
what's right for me

I understand myself well  
and have a plan to put  
into action

**EMPLOYABILITY:**  
**What do I need  
to get me there?**

I'm not aware  
of what I have to offer,  
or how my qualifications  
are going to help  
with my future

I'm beginning to understand  
how my knowledge,  
attributes, skills and  
experience support my  
future options and what  
I might need to develop

I'm confident in identifying  
what knowledge, attributes,  
skills and experience  
I have developed through  
what I study and do,  
articulating what is relevant

**THE BIGGER PICTURE:**  
**What is the working world  
I am going to enter?**

What does the working  
world expect of me in the  
Career of my choice?

How can information and  
experiences help me  
become successful and  
employment-ready in the  
Careers that interest me?

I can analyse and apply  
relevant information to  
achieve my Career choice  
and be successful in it
